INTERACTIVE DIRECTORY UTILITIES

What We Provide

Category-Wise Cut-offs

Historical opening & closing ranks mapped precisely across all quotas over five consecutive counselling years.

College Rank Predictor

Smart matching engine correlating your test scores against real-time seat vacancies to predict admission targets.

Bonds & Service Rules

Itemized breakdowns of state mandatory rural service bonds, penalty structures, and execution criteria.

Updated Fee Structures

Transparent mapping of true cost structures including tuition fees, development charges, and hostel overheads.

All-India & State Pooling

Step-by-step guidance mapping MCC, DGHS, and state-specific pathways to maximize strategy efficiency.

Campus Operational Reality

On-ground institutional datasets including clinical patient flow statistics, active labs, and alumni networks.

Arjun Mehta  
IIT Bombay

99

★★★★★

"VidyaVidhi's cutoff data helped me set realistic targets. I could filter by category and quota — something no other platform showed clearly. Got CSE at IITB with AIR 312."
